

Castells, Antoni (Barcelona 1950) holds a PhD in Economics and Business Sciences and is currently Professor of Public Finance at the University of Barcelona. He has been a visiting professor at the Johns Hopkins University in Baltimore and was the director of the Economics Institute of Barcelona (UB) until 2003. He is the director of europeG, an opinion and discussion group on issues related to political economy; chairs the Advisory Council of the Catalunya-Europa Foundation; sits on the Advisory Board of Funcas; and is a member of Spain's Royal Academy of Economic and Financial Sciences. He has been a member of the Public Audit Office of Catalonia (1984-1989); an elected member of the Parliament of Catalonia for the PSC (1992, 2003 and 2006); member of the State-Generalitat Joint Evaluations Commission (1989-1996); the Spanish representative before the European Court of Auditors (1994-2000); the Secretary of Economy on the PSC Executive Committee (2000-2011) and the Minister of Economy and Finance of the Generalitat of Catalonia (2003-2010). He specializes in fiscal federalism, the economics of the welfare state, regional economics and economic questions related to the process of European integration.

He is the author of various articles in journals that include *European Economic Review*, *Oxford Review of Economic Policy*, *Government and Policy*, *Économies et Sociétés*, *Revista de Economía Pública*, *Hacienda Pública Española*, *Investigaciones Económicas* and *Papeles de Economía Española*. He has also written various books and book chapters, published, among others, by the Clarendon Press, Ariel, Ashgate and Edward Elgar.
